MICHAELS LAW GROUP SENDS SUPPORT TO HAITI

Newport Beach, California (January 21, 2010) – “It is not often in one’s life that we witness the kind of devastation that we are all witnessing in Haiti. The United States lost 58,000 people in eight years of Vietnam, and 4,000 people in seven years of Iraq. Haiti lost 200,000 citizens in 24 hours,” notes Jonathan Michaels, founder of Michaels Law Group.

To help support the relief effort, Michaels Law Group has made a rather unique donation. In addition to making a financial contribution to the Red Cross, Michaels Law Group has sent care packages to “God’s Littlest Angels,” a Haitian orphanage located in the village of Pétion-Ville. The care packages provide much needed supplies to the children of the devastated area.

“It is unthinkable to imagine how devastating it must be for the children who are living through this,” says Michaels. “While our contribution is not much, if everyone could help just a little bit, together we can make a dramatic difference.”
